AGENDA TOPIC: Approval of a Resolution approving a Joint Election Agreement with Bexar County Elections relating to the May 2, 2020 election and authorizing the City Manager to execute all documents in connection therewith.

DATE: February 6, 2020

DEPARTMENT: City Secretary

PRESENTED BY: Consent Agenda – City Secretary

INTRODUCTION/BACKGROUND:
Texas Election Code Section 271.002 authorizes two or more political subdivisions to enter into an agreement to hold elections jointly. As such, the Federal and State Governments encourage entities such as cities, school districts, water districts, etc. to contract with their local County Elections Office to administer respective elections jointly with other entities. The intent of administering joint elections is to provide convenient, simple and cost effective elections. By way of background, the cost for Fair Oaks Ranch to hold a stand-alone election is approximately $30,000. As the poll site for city elections is located in Bexar County (City Hall), the City historically contracts with Bexar County Elections to be part of their joint ballot.

POLICY ANALYSIS/BENEFIT(S) TO CITIZENS:
Contracting with Bexar County Elections to be part of their joint ballot is convenient for our voters and less expensive than conducting a stand-alone city election:

1. City’s portion of the joint ballot approximate cost is $5,500 (total cost to be determined after the candidate filing date and final day to order an election – February 14, 2020).
2. Provides for numerous early voting poll sites, experienced poll workers and efficient Election night results.

LONGTERM FINANCIAL & BUDGETARY IMPACT:
Budgeted $6,000 for contract of election services.

WHEREAS, Section 271.002 of the Elections Code provides that if the elections ordered by the authorities of two or more political subdivisions are to be held on the same day in all or part of the same county, the governing bodies of the political subdivisions may enter into an agreement to hold the elections jointly in the election precincts that can be served by common polling places; and

WHEREAS, the City of Fair Oaks Ranch along with several other political subdivisions all located within Bexar County desire to enter in a joint election agreement setting forth each entity’s individual obligations with respect to conducting their respective elections on May 2, 2020; and

AGENDA TOPIC: Approval of a Resolution adopting the Bexar County Election Voting System and Software.

DATE: February 6, 2020

DEPARTMENT: City Secretary

PRESENTED BY: Consent Agenda – City Secretary

INTRODUCTION/BACKGROUND:
Under Section 43.007(i) of the Texas Election Code, the Bexar County Elections Office was granted approval by the Secretary of State to participate in the Countywide Polling Place Program. The November 2019 elections was the test-run of the program. As the program during that election was considered “successful” the county was granted the authority to continue to use County Wide Election program for subsequent elections.

Texas Election Code 43.007(d) requires specific equipment and software to be purchased. Bexar County received written approval for the purchase of the new elections equipment and software for future elections. As the City of Fair Oaks Ranch is contracting with Bexar County to perform our elections, Texas Election Code Chapter 123 requires that the City, by resolution, order, or other official action of the authority, must adopt the system for use in the elections before a voting system may be used in elections.

POLICY ANALYSIS/BENEFIT(S) TO CITIZENS:
Bexar County citizens will be utilizing the same equipment from the November 2019 and March 2020 elections.

Compliance with Texas Election Code Chapter 43 and 123.

AGENDA TOPIC: Approval of the second reading of an Ordinance calling the Special Election reauthorizing the levying of local sales and use tax for the maintenance and repair of municipal streets

DATE: February 6, 2020
DEPARTMENT: City Secretary
PRESENTED BY: Consent Agenda – City Secretary

INTRODUCTION/BACKGROUND:
In 2008 pursuant to the Texas Tax Code Chapter 327 the citizens of Fair Oaks Ranch elected to impose a local sales and use tax rate of ¼ of one percent for funds dedicated to street maintenance and repair. This tax expires four years after enactment, but can be readopted upon a successful election prior to the expiration of the tax. In 2012 and 2016 citizens reauthorized, by election, the re-adoption of the street maintenance and repair tax.

Texas Tax Code Section 327.007b provides that “An election to reauthorize the tax is called and held in the same manner as an election to adopt the tax.” In 2008 the election was called under Ordinance 176. Tonight’s agenda item is to order an election reauthorizing the sales and use tax for the maintenance and repair of municipal streets.

As the City Charter requires two readings of an ordinance and the last day to call the election is February 14, 2020, the agenda is being amended to comply with the statutory requirement of the Charter.

City Council heard and approved the first reading of this ordinance at the January 16, 2020 council meeting.

POLICY ANALYSIS/BENEFIT(S) TO CITIZENS:
1. Re-adopting the quarter cent tax ensures the continuance of the City's annual street maintenance and repair program.
2. Affords the opportunity for citizenry voice.

LONG-TERM FINANCIAL & BUDGETARY IMPACT:
$6,000 is budgeted for election expenses this fiscal year.

LEGAL ANALYSIS:
Reviewed and approved as to form.

RECOMMENDATION/PROPOSED MOTION:
Consent Agenda (I move to approve the first reading of an ordinance calling a Special Election reauthorizing the levying of local sales and use tax for the maintenance and repair of municipal streets.)

AGENDA TOPIC: Discussion regarding traffic control report for intersections at Battle Intense at Hansel Drive/High Eschelon and Keenland Drive at Battle Intense/Venturer Lane

DATE: February 6, 2020

DEPARTMENT: Public Works

PRESENTED BY: Ronald C. Emmons, P.E. and Mike Garza, P.E. (GEC, Legacy Engineering Group)

INTRODUCTION/BACKGROUND:
At the October 3, 2019 City Council meeting, resident Rich Nichols spoke during the Citizens to be Heard portion of the agenda with a request to consider modifying a couple of intersections in the City into four-way stop intersections. The two intersections are:

- Battle Intense at Hansel Dr./High Eschelon
- Keeneland Dr. at Battle Intense/Venturer Ln

City staff has met with our General Engineering Consultant, Legacy Engineering Group, and asked that they provide an analysis of these two intersections. The City has met with property owners at these intersections and coordinated effort to improve sight visibility by clearing and trimming vegetation.

The presentation by Legacy Engineering will provide their observations and bring some general concepts for discussion by Council.

POLICY ANALYSIS/BENEFIT(S) TO CITIZENS:
We should always consider elements that will make the flow of traffic safer to our residents and examine possible ways to improve our street intersections.

LONG-TERM FINANCIAL & BUDGETARY IMPACT:
The variables involved with multiple concepts makes it challenging to understand true costs. Fortunately, the City has programmed a Strategic Action Plan and these concepts can be appropriately scheduled and planned should Council grant authorization to move forward on any concept for the future.

LEGAL ANALYSIS:

RECOMMENDATION/PROPOSED MOTION:
There are no recommendations or motion requested; however, staff is requesting general direction from Council if the conclusion of this analysis warrants further intersection improvement.
Reason for Assignment
Citizen Concern

October 3rd City Council Meeting
Citizen To Be Heard – Rich Nichols

• Please add one stop sign on Battle Intense at the intersection of Hansel Dr / High Eschelon to create a four-way stop condition
• Please add two stop signs on Keeneland Dr at the intersection of Battle Intense / Venturer Ln to create a four-way stop condition
• Please trim the trees and foliage which make it difficult to see oncoming vehicles
Intersection #1:
Battle Intense & Hansel / High Eschelon
TMUTCD (2B.07) - Multi-Way Stop Control:

- Can be used as a safety measure at intersections if certain traffic conditions exist.
- Should be used where traffic volumes on the intersecting roads is approximately equal.
- Shall be based on a traffic engineering study for justification.

TMUTCD Section 2B.07 - Warrant Criteria

A. Where traffic control signals are justified as an interim measure.
B. Where five or more reported crashes in a 12-month period are susceptible to correction by a multi-way stop installation.
C. Where minimum traffic volumes are met as follows:
   1. Major street approaches average at least 300 vehicles per hour for any 8 hours of an average day; and
   2. Minor street approaches (total of both approaches) average at least 200 units per hour for the same 8 hours, with an average delay to minor-street vehicular traffic of at least 30 seconds per vehicle during the highest hour; but
   3. If the 85th-percentile approach speed of the major-street traffic exceeds 40 mph, the minimum vehicular volume warrants are 70 percent of the values provided in Items 1 and 2.
D. Where no single criterion is satisfied, but where Criteria B, C.1, and C.2 are all satisfied to 80 percent of the minimum values.
Results Of Warrant Analysis

A. Does Not Meet Warrant A
   - Traffic signal not warranted so cannot be an interim measure

B. Does Not Meet Warrant B
   - Only 1 reported crash at intersection

C. Does Not Meet Warrant C
   - Traffic volumes are very low

D. Does Not Meet Warrant D
   - Full reduction factors were considered

TMUTCD Section 2B.07
Other Criteria Considered in a Traffic Engineering Study

A. The need to control left-turn conflicts;
B. The need to control vehicle/pedestrian conflict near locations that generate high pedestrian volumes;
C. Locations where a road user, after stopping, cannot see conflicting traffic and is not able to negotiate the intersection unless conflicting cross traffic also stops; and
D. An intersection of two residential neighborhood collector (through) streets of familiar design and operating characteristics where multi-way stop control would improve traffic operational characteristics of the intersection.
## Special Considerations:

- Non-Aligned Streets
- Sight Distance Limitations (City has trimmed back vegetation)
- 3-Way Stop Condition
- Driver Expectation
- Pedestrian Movements
- Grades of Approaches

### Level of Service Analysis:

- All Approaches Operate at LOS A or B in Peak Periods

QUESTIONS?

MICHAEL GARZA, PE, PTOE - LEGACY ENGINEERING GROUP
GENERAL ENGINEERING CONSULTANT
INTRODUCTION/BACKGROUND:
CyberDefenses, Inc. has been selected to conduct a Local Government Security Assessment (LGSA) which is a comprehensive assessment of the City’s vulnerability to digital/cyber attacks. The process will review the current status of Information Technology systems as well as reviewing City governance, operational and communication activities to evaluate whether an attacker would be able to disrupt or damage the City's ability to serve its citizens. The deliverables of this assessment include a Scorecard to help IT and City leadership understand the current Security Readiness level of our City as well as a detailed set of issues and recommendations for continued improvement.

Conducting this assessment will help the City of Fair Oaks Ranch strengthen our resolve to protect against attacks present in the world today.

In order to protect against cyber attacks, a vulnerability assessment and penetration test will be done to identify areas to further secure our overall system. Identifying these areas is crucial to the security of cities such as Fair Oaks Ranch and will help in strategically planning an IT Master Plan for the City. To address this risk, Council programmed funding in the FY19-20 budget for a consultant to perform a vulnerability assessment and penetration test.

The assessment will be a comprehensive study that identifies and scans areas such as physical security, infrastructure monitoring, malware, darkweb, social media, City website vulnerability and external network vulnerability. Additionally, an experienced penetration test engineer will perform a manual network penetration test, which tests the areas identified in the vulnerability assessment.

Two representatives will be on-site for two (2) days to meet with City leadership, IT leadership, and additional employees to conduct interviews to assess current policies and procedures. The consultant will also perform work remotely assessing the City network.

The entire scope of services will take approximately eight (8) weeks to complete.

Proposals were received from different vendors, and the proposal from CyberDefenses, Inc. was selected as providing the best value to the City.

POLICY ANALYSIS/BENEFIT(S) TO CITIZENS:
Will achieve Strategic Objective 5.4.2 under Operational Excellence to conduct an IT risk analysis and vulnerability assessment.
LONG-TERM FINANCIAL & BUDGETARY IMPACT:
Under the Operational Excellence Pillar of the Strategic Action Plan, Council authorized $50,000 in the current year's budget to conduct an IT risk analysis and vulnerability assessment. The proposed contract is for $32,229.00, which is under budget by $17,771.00.

LEGAL ANALYSIS:
There were no changes to the City's standard professional services agreement, which has already been approved by the City Attorney.

RECOMMENDATION/PROPOSED MOTION:
I move to authorize the City Manager to sign a Professional Services Agreement with CyberDefenses, Inc. for an IT risk analysis and vulnerability assessment.
This Professional Services Agreement (“Agreement”) is made and entered by and between the City of Fair Oaks Ranch, Texas, (the “City”) a Texas municipality, and CyberDefenses, Inc. (“Professional”).

Section 1. Duration. This Agreement shall become effective upon execution by the City and shall remain in effect until satisfactory completion of the Scope of Work unless terminated as provided for in this Agreement.

Section 2. Scope of Work.

(A) Professional shall perform the Services as more particularly described in the Scope of Work attached hereto as Exhibit “A”. The work as described in the Scope of Work constitutes the “Project”. Unless otherwise provided in the Scope of Work, the anticipated submittal of all Project deliverables is immediately upon completion of the Project.

(B) The Quality of Services provided under this Agreement shall be performed with the professional skill and care ordinarily provided by competent Professionals practicing in the same or similar locality and under the same or similar circumstances and professional license, and as expeditiously as is prudent considering the ordinary professional skill and care of a competent Professional holding the same professional license.

(C) The Professional shall perform its Services for the Project in compliance with all statutory, regulatory and contractual requirements now or hereafter in effect as may be applicable to the rights and obligations set forth in the Agreement.

(D) The Professional may rely upon the accuracy of reports and surveys provided to it by the City except when defects should have been apparent to a reasonably competent professional or when it has actual notice of any defects in the reports and surveys.

Section 3. Compensation.

(A) The Professional shall be paid in the manner as provided herein.
(B) **Billing Period:** The Professional may submit monthly, or less frequently, an invoice for payment based on the estimated completion of the described tasks and approved work schedule. Subject to Chapter 2251, Texas Government Code (the “Prompt Payment Act”), payment is due within thirty (30) days of the City’s receipt of the Professional’s invoice. Interest on overdue payments shall be calculated in accordance with the Prompt Payment Act.

(C) **Reimbursable Expenses:** Any and all reimbursable expenses related to the Project shall be included in the scope of services (Exhibit A). If these items are not specifically accounted for in Exhibit A they shall be considered subsidiary to the total contract amount.

### Section 4. Changes to the Project Work; Additional Work.

(A) **Changes to Work:** Professional shall make such revisions to any work that has been completed as are necessary to correct any errors or omissions as may appear in such work. If the City finds it necessary to make changes to previously satisfactorily completed work or parts thereof, the Professional shall make such revisions if requested and as directed by the City and such services will be considered as additional work and paid for as specified under following paragraph.

(B) **Additional Work:** The City retains the right to make changes to the Scope of Work at any time by a written order. Work that is clearly not within the general description of the Scope of Work and does not otherwise constitute special services under this Agreement must be approved in writing by the City by supplemental agreement before the additional work is undertaken by the Professional. If the Professional is of the opinion that any work is beyond that contemplated in this Agreement and the Scope of Work governing the project and therefore constitutes additional work, the Professional shall promptly notify the City of that opinion, in writing. If the City agrees that such work does constitute additional work, then the City and the Professional shall execute a supplemental agreement for the additional work and the City shall compensate the Professional for the additional work on the basis of the rates contained in the Scope of Work. If the changes deduct from the extent of the Scope of Work, the contract sum shall be adjusted accordingly. All such changes shall be executed under the conditions of the original Agreement. Any work undertaken by Professional not previously approved as additional work shall be at risk of the Professional.

### Section 5. Time of Completion.

The prompt completion of the services under the Scope of Work is critical to the City. Unnecessary delays in providing services under a Scope of Work shall be grounds for dismissal of the Professional and termination of this Agreement without any or further liability to the City other than a prorated payment for necessary, timely, and conforming work done by Professional prior to the time of termination. The Scope of Work shall provide, in either
calendar days or by providing a final date, a time of completion prior to which the Professional shall have completed all tasks and services described in the Scope of Work.

**Section 6. Insurance.**

Before commencing work under this Agreement, Professional shall obtain and maintain the liability insurance provided for in attached Exhibit B throughout the term of this Agreement and thereafter as required herein.

In addition to the insurance provided for in Exhibit B, Professional shall maintain the following limits and types of insurance:

**Professional Liability Insurance:** professional errors and omissions liability insurance with limits of liability not less than $1,000,000 per occurrence covering all work performed by the Professional, its employees, sub-contractors, or independent contractors. If this coverage can only be obtained on a “claims made” basis, the certificate of insurance must clearly state coverage is on a “claims made” basis and coverage must remain in effect for at least two years after final payment with the Professional continuing to furnish the City certificates of insurance.

**Workers Compensation Insurance:** The Professional shall carry and maintain during the term of this Agreement, workers compensation and employers liability insurance meeting the requirements of the State of Texas on all the Professional’s employees carrying out the work involved in this contract.

**General Liability Insurance:** The Professional shall carry and maintain during the term of this Agreement, general liability insurance on a per occurrence basis with limits of liability not less than $1,000,000 for each occurrence and for fire damage. For Bodily Injury and Property Damage, coverage shall be no less than $1,000,000. As a minimum, coverage for Premises, Operations, Products and Completed Operations shall be $2,000,000. This coverage shall protect the public or any person from injury or property damages sustained by reason of the Professional or its employees carrying out the work involved in this Agreement. The general aggregate shall be no less than $2,000,000.

**Automobile Liability Insurance:** Professional shall carry and maintain during the term of this Agreement, automobile liability insurance with either a combined limit of at least $1,000,000 per occurrence for bodily injury and property damage or split limits of at least $1,000,000 for bodily injury per person per occurrence and $1,000,000 for property damage per occurrence. Coverage shall include all owned, hired, and non-owned motor vehicles used in the performance of this contract by the Professional or its employees.
Subcontractor: In the case of any work sublet, the Professional shall require subcontractor and independent contractors working under the direction of either the Professional or a subcontractor to carry and maintain the same workers compensation and liability insurance required of the Professional.

Qualifying Insurance: The insurance required by this Agreement shall be written by non-assessable insurance company licensed to do business in the State of Texas and currently rated "B+" or better by the A.M. Best Companies. All policies shall be written on a “per occurrence basis” and not a “claims made” form.

Evidence of such insurance shall be attached as Exhibit “B”.

(A) Subletting. The Professional shall not sublet or transfer any portion of the work under this Agreement or any Scope of Work issued pursuant to this Agreement unless specifically approved in writing by the City, which approval shall not be unreasonably withheld. Subcontractors shall comply with all provisions of this Agreement and the applicable Scope of Work. The approval or acquiescence of the City in the subletting of any work shall not relieve the Professional of any responsibility for work done by such subcontractor.

(B) Ownership of Documents. Upon completion or termination of this Agreement, all documents prepared by the Professional or furnished to the Professional by the City shall be delivered to and become the property of the City. All drawings, charts, calculations, plans, specifications and other data, including electronic files and raw data, prepared under or pursuant to this Agreement shall be made available, upon request, to the City without restriction or limitation on the further use of such materials PROVIDED, HOWEVER, THAT SUCH MATERIALS ARE NOT INTENDED OR REPRESENTED TO BE SUITABLE FOR REUSE BY THE CITY OR OTHERS. ANY REUSE WITHOUT PRIOR VERIFICATION OR ADAPTATION BY THE PROFESSIONAL FOR THE SPECIFIC PURPOSE INTENDED WILL BE AT THE CITY’S SOLE RISK AND WITHOUT LIABILITY TO THE PROFESSIONAL. Where applicable, Professional shall retain all pre-existing proprietary rights in the materials provided to the City but shall grant to the City a non-exclusive, perpetual, royalty-free license to use such proprietary information solely for the purposes for which the information was provided. The Professional may, at Professional’s expense, have copies made of the documents or any other data furnished to the City under or pursuant to this Agreement.

(C) Professional's Seal. To the extent that the Professional has a professional seal it shall placed on all documents and data furnished by the Professional to the City. All work and services provided under this Agreement will be performed in a good and workmanlike fashion and shall conform to the accepted standards and practices of the Professional’s industry. The
plans, specifications and data provided by Professional shall be adequate and sufficient to enable those performing the actual work to perform the work as and within the time contemplated by the City and Professional. The City acknowledges that Professional has no control over the methods or means of work nor the costs of labor, materials or equipment. Unless otherwise agreed in writing, any estimates of costs by the Professional are for informational purposes only and are not guarantees.

(D) Compliance with Laws. The Professional shall comply with all federal, state and local laws, statutes, ordinances, rules and regulations, and the orders and decrees of any courts, administrative, or regulatory bodies in any matter affecting the performance of this Agreement, including, without limitation, worker’s compensation laws, minimum and maximum salary and wage statutes and regulations, and licensing laws and regulations. When required, the Professional shall furnish the City with satisfactory proof of compliance.

(E) Independent Contractor. Professional acknowledges that Professional is an independent contractor of the City and is not an employee, agent, official or representative of the City. Professional shall not represent, either expressly or through implication, that Professional is an employee, agent, official or representative of the City. Income taxes, self-employment taxes, social security taxes and the like are the sole responsibility of the Professional.

(F) Non-Collusion. Professional represents and warrants that Professional has not given, made, promised or paid, nor offered to give, make, promise or pay any gift, bonus, commission, money or other consideration to any person as an inducement to or in order to obtain the work to be provided to the City under this Agreement. Professional further agrees that Professional shall not accept any gift, bonus, commission, money, or other consideration from any person (other than from the City pursuant to this Agreement) for any of the services performed by Professional under or related to this Agreement. If any such gift, bonus, commission, money, or other consideration is received by or offered to Professional, Professional shall immediately report that fact to the City and, at the sole option of the City, the City may elect to accept the consideration for itself or to take the value of such consideration as a credit against the compensation otherwise owing to Professional under or pursuant to this Agreement.

(G) Force Majeure. If the performance of any covenant or obligation to be performed hereunder by any party is delayed as a result of circumstances which are beyond the reasonable control of such party (which circumstances may include, without limitation, pending litigation, acts of God, war, acts of civil disobedience, fire or other casualty, shortage of materials, adverse weather conditions [such as, by way of illustration and not of limitation, severe rain storms or below freezing temperatures, or tornados] labor action, strikes or similar acts, moratoriums or regulations or actions by governmental authorities), the time for such
performance shall be extended by the amount of time of such delay, but no longer than the amount of time reasonably occasioned by the delay. The party claiming delay of performance as a result of any of the foregoing force majeure events shall deliver written notice of the commencement of any such delay resulting from such force majeure event not later than seven (7) days after the claiming party becomes aware of the same, and if the claiming party fails to so notify the other party of the occurrence of a force majeure event causing such delay and the other party shall not otherwise be aware of such force majeure event, the claiming party shall not be entitled to avail itself of the provisions for the extension of performance contained in this subsection.

(H) In the case of any conflicts between the terms of this Agreement and wording contained within the Scope of Services, this Agreement shall govern. The Scope of Services is intended to detail the technical scope of services, fee schedule, and contract time only and shall not dictate Agreement terms.

Section 8. Termination.

(A) This Agreement may be terminated:

   (1) By the mutual agreement and consent of both Professional and City;

   (2) By either party, upon the failure of the other party to fulfill its obligations as set forth in either this Agreement or a Scope of Work issued under this Agreement;

   (3) By the City, immediately upon notice in writing to the Professional, as consequence of the failure of Professional to perform the services contemplated by this Agreement in a timely or satisfactory manner;

   (4) By the City, at will and without cause upon not less than thirty (30) days written notice to the Professional.

(B) If the City terminates this Agreement pursuant to Section 5 or subsection 8(A)(2) or (3), above, the Professional shall not be entitled to any fees or reimbursable expenses other than the fees and reimbursable expenses then due and payable as of the time of termination and only then for those services that have been timely and adequately performed by the Professional considering the actual costs incurred by the Professional in performing work to date of termination, the value of the work that is nonetheless usable to the City, the cost to the City of employing another Professional to complete the work required and the time required to do so, and other factors that affect the value to the City of the work performed at time of termination. In the event of termination that is not the fault of the Professional, the Professional shall be compensated for all basic, special, and additional services actually performed prior to termination, together with any reimbursable expenses then due.
Section 9. **Indemnification.** Professional shall indemnify, defend and hold harmless the City of Fair Oaks Ranch, Texas and its officials, employees and agents (collectively referred to as “Indemnitees”) and each of them from and against all loss, costs, penalties, fines, damages, claims, expenses (including reasonable attorney’s fees) or liabilities (collectively referred to as “Liabilities”) by reason of any injury to or death of any person or damage to or destruction or loss of any property arising out of, resulting from, or in connection with (i) the performance or non-performance of Services contemplated by this Agreement but only to the extent caused by the negligent acts, errors or omissions, intentional torts, intellectual property infringement, or a failure to pay a sub-contractor or supplier committed by Professional or Professional’s agent, consultant under contract, or another entity over which Professional exercises control (whether active or passive) of Professional or its employees, agents or sub-contractors (collectively referred to as “Professional”) (ii) the failure of Professional to comply with any of the paragraphs herein or the failure of Professional to conform to statutes, ordinances, or other regulations or requirements of any governmental authority, federal, state or local, in connection with the performance of this Agreement. Professional expressly agrees to indemnify and hold harmless the Indemnitees, or any one of them, from and against all liabilities which may be asserted by an employee or former employee of Professional, or any of its sub-contractors, as provided above, for which Professional’s liability to such employee or former employee would otherwise be limited to payments under State Workers’ Compensation or similar laws. Nothing herein shall require Professional to indemnify, defend, or hold harmless any Indemnitee for the Indemnitee’s own negligence or willful misconduct. Any and all indemnity provided for in this Agreement shall survive the expiration of this Agreement and the discharge of all other obligations owed by the parties to each other hereunder and shall apply prospectively not only during the term of this Agreement but thereafter so long as any liability could be asserted in regard to any acts or omissions of Professional in performing Services under this Agreement.

For Professional Liability Claims, Professional shall be liable for reasonable defense costs incurred by Indemnitees but only after final adjudication and to the extent and percent that Professional or Professional’s agents are found negligent or otherwise at fault. As used in this Agreement, final adjudication includes any negotiated settlement and release of claims, without limitation as to when a negotiated settlement and release of claims occurs.

Section 10. **Notices.** Any notice required or desired to be given from one party to the other party to this Agreement shall be in writing and shall be given and shall be deemed to have been served and received (whether actually received or not) if (i) delivered in person to the address set forth below; (ii) deposited in an official depository under the regular care and
custody of the United States Postal Service located within the confines of the United States of America and sent by certified mail, return receipt requested, and addressed to such party at the address hereinafter specified; or (iii) delivered to such party by courier receipted delivery. Either party may designate another address within the confines of the continental United States of America for notice, but until written notice of such change is actually received by the other party, the last address of such party designated for notice shall remain such party's address for notice.

Section 11. **No Assignment.** Neither party shall have the right to assign that party's interest in this Agreement without the prior written consent of the other party.

Section 12. **Severability.** If any term or provision of this Agreement is held to be illegal, invalid or unenforceable, the legality, validity or enforceability of the remaining terms or provisions of this Agreement shall not be affected thereby, and in lieu of each such illegal, invalid or unenforceable term or provision, there shall be added automatically to this Agreement a legal, valid or enforceable term or provision as similar as possible to the term or provision declared illegal, invalid or unenforceable.

Section 13. **Waiver.** Either City or the Professional shall have the right to waive any requirement contained in this Agreement that is intended for the waiving party's benefit, but, except as otherwise provided herein, such waiver shall be effective only if in writing executed by the party for whose benefit such requirement is intended. No waiver of any breach or violation of any term of this Agreement shall be deemed or construed to constitute a waiver of any other breach or violation, whether concurrent or subsequent, and whether of the same or of a different type of breach or violation.

Section 14. **Governing Law; Venue.** This Agreement and all of the transactions contemplated herein shall be governed by and construed in accordance with the laws of the State of Texas. The provisions and obligations of this Agreement are performable in Bexar County, Texas such that exclusive venue for any action arising out of this Agreement shall be in Bexar County, Texas.

Section 15. **Paragraph Headings; Construction.** The paragraph headings contained in this Agreement are for convenience only and shall in no way enlarge or limit the scope or meaning of the various and several paragraphs hereof. Both parties have participated in the negotiation and preparation of this Agreement and this Agreement shall not be construed either more or less strongly against or for either party.

Section 16. **Binding Effect.** Except as limited herein, the terms and provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, devisees, personal and legal representatives, successors and assigns.
**Section 17. Gender.** Within this Agreement, words of any gender shall be held and construed to include any other gender, and words in the singular number shall be held and construed to include the plural, unless the context otherwise requires.

**Section 18. Counterparts.** This Agreement may be executed in multiple counterparts, each of which shall be deemed an original, and all of which shall constitute but one and the same instrument.

**Section 19. Exhibits.** All exhibits to this Agreement are incorporated herein by reference for all purposes wherever reference is made to the same.

**Section 20. Entire Agreement.** It is understood and agreed that this Agreement contains the entire agreement between the parties and supersedes any and all prior agreements, arrangements or understandings between the parties relating to the subject matter. No oral understandings, statements, promises or inducements contrary to the terms of this Agreement exist. This Agreement cannot be changed or terminated orally.

**Section 21. Relationship of Parties.** Nothing contained in this Agreement shall be deemed or construed by the parties hereto or by any third party to create the relationship of principal and agent or of partnership or of joint venture or of any association whatsoever between the parties, it being expressly understood and agreed that no provision contained in this Agreement nor any act or acts of the parties hereto shall be deemed to create any relationship between the parties other than the relationship of independent parties contracting with each other solely for the purpose of effecting the provisions of this Agreement.

**Section 22. Right To Audit.** City shall have the right to examine and audit the books and records of Professional with regards to the work described in Exhibit A, or any subsequent changes, at any reasonable time. Such books and records will be maintained in accordance with generally accepted principles of accounting and will be adequate to enable determination of: (1) the substantiation and accuracy of any payments required to be made under this Agreement; and (2) compliance with the provisions of this Agreement.

**23. Dispute Resolution.** In accordance with the provisions of Subchapter I, Chapter 271, TEX. LOCAL GOV'T CODE, the parties agree that, prior to instituting any lawsuit or other proceeding arising from a dispute under this agreement, the parties will first attempt to resolve the dispute by taking the following steps: (1) A written notice substantially describing the nature of the dispute shall be delivered by the dissatisfied party to the other party, which notice shall request a written response to be delivered to the dissatisfied party not less than 5 days after receipt of the notice of dispute. (2) If the response does not reasonably resolve the dispute, in the opinion of the dissatisfied party, the dissatisfied party shall give notice to that
effect to the other party whereupon each party shall appoint a person having authority over the activities of the respective parties who shall promptly meet, in person, in an effort to resolve the dispute. (3) If those persons cannot or do not resolve the dispute, then the parties shall each appoint a person from the highest tier of managerial responsibility within each respective party, who shall then promptly meet, in person, in an effort to resolve the dispute.

24. **Disclosure of Business Relationships/Affiliations; Conflict of Interest Questionnaire.** Professional represents that it is in compliance with the applicable filing and disclosure requirements of Chapter 176 of the Texas Local Government Code.

25. **Boycott Israel.** The City may not enter into a contract with a company for goods and services unless the contract contains a written verification from the company; (i) it does not Boycott Israel; and (ii) will not Boycott Israel during the term of the contract. (Texas government code chapter 2270) by entering this agreement, Professional verifies that it does not Boycott Israel, and agrees that during the term of the agreement will not Boycott Israel as that term is defined in the Texas Government Code Section 808.001, as amended.

AGENDA TOPIC: Consideration and possible action approving the first reading of an Ordinance granting a transmission and distribution electric utility franchise to Pedernales Electric Cooperative

DATE: February 6, 2020

DEPARTMENT: Administration

PRESENTED BY: Assistant City Manager, Carole Vanzant

INTRODUCTION/BACKGROUND:
In Kendall County and a portion of Comal County of our City, the exclusive purveyor for electric transmission and distribution is Pedernales Electric Cooperative (PEC). The rental cost of using city rights of way, easements, and streets to transmit and distribute their services is known as a franchise fee. The fee is assessed in accordance to an approved franchise agreement, adopted by Ordinance.

The first adopted ten-year franchise agreement between the City and PEC was in 1989. Subsequent franchise agreements were adopted in 1999 and 2009. In 2019, prior to the expiration of the current agreement, PEC agreed to an extension of the agreement to afford staff and legal, on both sides, time to perform a thorough review.

For your consideration and approval today is the proposed Franchise Agreement finalized by city staff and PEC. Agreement enhancements, in italics, include in:

- **Section 5**
  - A written consent, excluding emergency responses, by the City Manager prior to PEC performing work in the City is required; previously no consent was required.
  - Restoration shall be in accordance with the city’s Unified Development Code and other applicable ordinances; previously no defined guide was provided.

- **Section 8**
  - Authorizes a 4% franchise fee of gross revenues; up from 2% (since 1989) and is in line with other electric and gas service providers.

- **Section 10**
  - Agreement may not be assigned without the City’s prior consent; previously assignment without consent was allowed.

- **Section 13**
  - Notices are to be provided to the Office of the City Manager and to the city’s legal firm; previously no notice was required to be sent to Legal or to a defined employee of the City.
To comply with statutory regulations, the following time table will apply:

**POLICY ANALYSIS/BENEFIT(S) TO CITIZENS:**
1. Continued payment of quarterly franchise fees for the use of city streets, easements and rights of way
2. Complies with City Charter relative to authorizing the City Manager to negotiate franchise agreements

**LONGTERM FINANCIAL & BUDGETARY IMPACT:**
A 4% fee on gross sales of electric transmission and distribution in the Pedernales Electric Cooperative service area of Fair Oaks Ranch. Based on usage in FY2018/19, the City received $42,479 in PEC franchise fees. At 4% the receivable would have been $63,718.

**LEGAL ANALYSIS:**
Legal assisted in drafting the agreement and, approved the final version as to form.

**RECOMMENDATION/PROPOSED MOTION:**
Approval of the first reading of an Ordinance granting a 10-year franchise agreement to Pedernales Electric.
AN ORDINANCE

AN ORDINANCE OF THE CITY OF FAIR OAKS RANCH, TEXAS, GRANTING A TRANSMISSION AND DISTRIBUTION ELECTRIC UTILITY FRANCHISE TO PEDERNALES ELECTRIC COOPERATIVE, INC. EXCLUSIVE TO THE AREA IN WHICH PEC IS THE ONLY CERTIFIED PROVIDER OF SUCH SERVICES FOR A TEN YEAR TERM COMMENCING ON THE EFFECTIVE DATE; CONTAINING VARIOUS TERMS AND CONDITIONS WITH REGARD TO THE GRANT OF SUCH FRANCHISE; CONTAINING A SEVERABILITY CLAUSE; PROVIDING FOR THE REPEAL OF ANY AND ALL KINDS OF ORDINANCES, REGULATIONS, RULES, OR POLICIES THAT ARE IN CONFLICT WITH THIS ORDINANCE; AND PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF FAIR OAKS RANCH, TEXAS, that:

Section 1. Grant. The City of Fair Oaks Ranch, Texas ("City"), pursuant to this ordinance ("Ordinance") does hereby grant unto Pedernales Electric Cooperative, Inc. and to any of the cooperative’s affiliates, successors and permitted assigns ("Cooperative"), the right, privilege, and franchise to erect, construct, maintain, operate, use, extend, remove, replace, and repair in, under, upon, over, and across, and along any and all of the present and future streets, squares, parks, lanes, alleys, and public utility easements owned or controlled, or hereafter owned or controlled by the City and over and across any stream or streams, bridge, or bridges, now or hereafter owned or controlled by the City, a system of poles, pole lines, transmission and distribution lines, wires, guys, conduits, conductor, transformers, enclosures, concrete pads, ground rods, cable risers, and fiber optic cables and other desirable instrumentalities and appurtenances necessary or proper for the purpose of transmitting, distributing, carrying, conducting, conveying, supplying, furnishing and selling to the City and the inhabitants of the City or other person or persons, firms or corporations, whether within or without the City, electricity, energy, power, light, heat, energy services, and for any other purpose for which electricity or energy services may be now or hereafter used and for communication signals or the capability and capacity for transport of communication signals of whatever kind and character; to carry and transport communication signals by means of said poles, transmission and distribution lines, wires, guys, conduits, conductor or other instrumentalities to sell and distribute same to the City, the inhabitants of said City, and any other persons, firms or corporations whether within or without the City.

Section 2. Non-exclusivity. Other than in the Pedernales Electric Cooperative, Inc. service area in the city limits of Fair Oaks Ranch, this franchise is not exclusive, and nothing herein shall be construed so as to prevent the City of Fair Oaks Ranch, Texas from granting other like or similar rights and privileges to any other person, firm or corporation consistent with applicable state law.

Section 3. City Property; Annexation. It is expressly understood and agreed that this Ordinance grants the Cooperative the rights and privileges contained in Section 1 above only as to property located within the corporate limits of the City presently in the Cooperative’s service area and to property hereinafter annexed by the City which is located
within the Cooperative’s service area. The City shall notify Cooperative in writing of the effective date of any annexation of property into the City limits that would require Cooperative to include such properties for purposes of calculations of any amounts due under this Ordinance. Cooperative shall not be liable for any late payments, penalties or interest on the portion of a quarterly payment that does not include gross revenues for Cooperative customers within a newly annexed area until ninety (90) days after written notice from the City to the Cooperative of any such annexation. Thereafter the Cooperative shall assure that any and all customers located within such annexed territory be included and shown on its accounting system as being within the City. After such ninety (90) day written notice from the City to the Cooperative, all customers’ accounts located within such annexed territory shall begin accrual for purposes of the payment provisions specified in this Ordinance.

Section 4. Relocation; Electric Facilities; Pole Attachments.

(a) If the City, in order for the accommodation or new construction of its sewers, water lines, streets or other public works, shall require any structures, lines, guys, or other installations of the Cooperative located in a street or other City right-of-way to be shifted or relocated to a new position in a street or other available right-of-way, such structures, lines, guys, or other installations shall be so shifted or relocated by the Cooperative at the Cooperative’s expense; provided, however, the City shall work with Cooperative in good faith to determine the most cost effective method of relocation or shifting of Cooperative’s facilities. City shall give the Cooperative reasonable prior written notice of its projects requiring relocation of the Cooperative’s facilities, and shall provide an alternate public easement for relocation. In the event that Cooperative is required by City to remove or relocate its facilities under this Section and City is eligible under federal, state county, local or other programs for reimbursement of costs and expense incurred by Cooperative as a result of such removal or relocation, and such reimbursement is required to be handled through the City, Cooperative costs and expenses shall be included in any application by City for reimbursement. City shall provide reasonable notice to Cooperative of the deadline for Cooperative to submit documentation of the costs and expense of such relocation to City. If reimbursement is available for relocation, the Cooperative shall receive its portion of reimbursement payments attributable to its facilities. For the avoidance of doubt, the City may not require the Cooperative to relocate its facilities underground in a public easement, and a location underground in a public easement will not constitute an “alternate public easement” for purposes of this Section, unless the Cooperative’s facilities which the City seeks to have relocated are located underground before the City’s request for relocation.

(b) If a third-party desires or the City requires Cooperative to adapt or conform any of Cooperative’s facilities, or in any way alter, relocate or change Cooperative’s property to enable any third party (whether public or private), other than the City, to use the rights-of-way, Cooperative shall have the right, as a condition of any such alteration, change or relocation, to require payment to Cooperative for any and all loss, cost or expense occasioned thereby to be paid by the third party. The City shall, as part of any franchise agreement with any third party entered into after the date of this Ordinance, attempt to include the
requirement of payment to Cooperative for any and all loss, cost or expense occasioned by any necessary alteration, change or relocation.

(c) The Cooperative shall permit private or public entities desiring to provide communication services to the City to use existing Cooperative poles, provided that such attachment and use is feasible, does not interfere with Cooperative’s ability to utilize its facilities for its purposes, and is not in conflict with the National Electric Safety Code, other safety procedures or requirements of Cooperative, and such entity obtains any necessary right-of-way or easement or permits or licenses for its use. Such use shall be subject to the entity’s execution of Cooperative’s form of contract for pole attachment and payment of the Cooperative applicable fees.

Section 5. Operations and Maintenance.

(a) With the written consent of the City Manager, the Cooperative may open-cut streets, curbs and sidewalks, and may bore, or utilize any other methods (including, but not limited to tree trimming) it deems reasonably necessary to construct, operate and maintain the Cooperative facilities within the City and remove obstructions to the Cooperative’s facilities that endanger or interfere with the efficiency of the Cooperative’s facilities. The design, construction and maintenance of the Cooperative facilities shall be in accordance with Cooperative standards. Structures, lines, guys, and other installations shall be erected consistent with the National Electrical Safety Code and any other applicable state and national standards. The written consent of the City Manager is not required when the Cooperative is responding to an emergency.

(b) When practicable, in accordance with the city’s Unified Development Code and other applicable ordinances, the surface of any street, alley, or public way or place disturbed by the Cooperative shall be restored to substantially the same condition existing prior to the work by the Cooperative within a reasonable time after the completion of the work. No street, alley, or public way or place shall be encumbered by the Cooperative for a longer period than shall be reasonably necessary to execute the work.

Section 6. Indemnification - Cooperative. THE COOPERATIVE WILL INDEMNIFY, DEFEND AND HOLD HARMLESS THE CITY, ITS OFFICERS, AGENTS, SERVANTS, AND EMPLOYEES FROM AND AGAINST ANY AND ALL SUITS, LEGAL ACTIONS, LEGAL PROCEEDINGS, CLAIMS, DEMANDS, DAMAGES, COSTS, EXPENSES, AND ATTORNEYS’ FEES INCIDENT TO ANY WORK DONE IN THE PERFORMANCE OF THIS ORDINANCE ARISING OUT OF A WILLFUL OR NEGLIGENT ACT OR OMISSION OF THE COOPERATIVE, ITS OFFICERS, AGENTS, SERVANTS OR EMPLOYEES, PROVIDED, HOWEVER, THAT THE COOPERATIVE SHALL NOT BE LIABLE FOR ANY SUIT, ACTIONS, LEGAL PROCEEDINGS, CLAIMS, DEMANDS, DAMAGES, COSTS, EXPENSES, AND ATTORNEYS’ FEES ARISING OUT OF A WILLFUL ACT OR NEGLIGENT ACT OR OMISSION OF THE CITY, ITS OFFICERS, AGENTS, SERVANTS OR EMPLOYEES.

Section 7. Term. This Ordinance shall be in force and effect for a period of ten (10) years from and after the date on which the City adopts it in the form authorized by the
Cooperative (the "Effective Date"). The payments provided for in Section 8 of this Ordinance shall be effective for the Cooperative’s gross revenues from its sale of energy and power sold within the City commencing on the first day of the month following the thirty (30) day notice period that the Cooperative is required to provide to the Cooperative’s customers.

**Section 8. Franchise Fee.**

(a) In consideration of the rights granted to the Cooperative herein, the Cooperative, during the term of this Ordinance shall pay a fee of four percent (4%) of the gross revenues received by the Cooperative from the Cooperative’s sale of energy and power sold to customers within the city limits of the City during such previous year or previous quarter. It is agreed that such payment is in addition to any ad valorem tax now or hereafter to be assessed and collected under the authority of the City’s charter or under the laws of the State of Texas. Other than with respect to such ad valorem taxes, the payment so provided for in this Section is in lieu of all other fees or charges of any nature, and the City shall not impose or collect, nor attempt to impose or collect, any other charge or fee in connection with the construction, operation, and maintenance of the Cooperative facilities within the City. The term “gross revenues” shall not include (1) local, state, or federal taxes collected by Cooperative that have been billed to its customers and separately stated on customers' bills, (2) the franchise fee paid under this Ordinance, (3) revenue uncollectible from customers (i.e., bad debts) with billing addresses in the City that may have previously been included in gross revenues, or (4) revenue from the Cooperative’s pole attachment agreements. Cooperative shall be entitled to list the franchise fee as a separate line item on monthly bills of Cooperative members who have meters within the City limits. The payment provided for in this Section 8 will reflect the Cooperative’s gross revenues on a quarterly basis and will be due the City within forty-five (45) days after the close of each quarter in the Cooperative’s fiscal year.

(b) If Cooperative elects to provide customer choice pursuant to the terms of the Public Utility Regulatory Act ("PURA"), the fee due under this Ordinance shall be as provided in the Texas Utilities Code Section 33.008 for a transmission and distribution utility.

**Section 9. Reports.** Upon City’s request, at reasonable intervals not to exceed once per fiscal year, the Cooperative will provide to City reports setting out matters concerning energy and power sold by reason of the operation of the Cooperative within the City.

**Section 10. Assignment.** Company may not assign this Franchise without the City’s prior written consent, which consent shall not be unreasonably withheld. For the avoidance of doubt, a transfer of this Ordinance by virtue of a sale by the Cooperative of all or substantially all of its assets in the City shall not require consent of the City, but Cooperative shall provide City written notice within thirty (30) days of such transfer.

**Section 11. Superseding Effect.** This Ordinance supersedes for all purposes any other written agreements with respect to the franchise prior to the acceptance of this
Ordinance. This Ordinance shall supersede and take precedence over inconsistent ordinances, resolutions, or regulations hereafter or previously passed by the City.

Section 12. Severability. The provisions of this Ordinance are severable, and if any court of competent jurisdiction enters a final order which holds that any section, subsection, sentence, clause, phrase, or other portion of this Ordinance is invalid, illegal, or otherwise unenforceable, then any such portion shall be deemed a separate, distinct and independent provision, and any such ruling shall not affect any other provision of this Ordinance which are not specifically designated as being illegal, invalid or unenforceable.
