- Furniture strippers
- Non-automotive/marine batteries

Any items not listed on the Materials Accepted list will not be accepted during this collection event.

Safety First

How Should I Prepare for this Event?

- Bring products in their original containers. **Do not mix products!**
- Make sure containers are properly sealed and labeled correctly.
- If the container leaks, pack a larger container and use an absorbent, such as cat litter, to soak up leakage.
- If you do not know what it is, mark it "unknown."
- If possible, place materials in cardboard boxes; boxes with dividers make for good packing.
- Place materials in areas away from drivers and passengers.
- No trailers over 10 feet are allowed.
- No walk-ups are allowed.

So that more residents can enjoy this event, only 1 vehicle per family.

If you have any questions concerning hazardous waste disposal,
