Safety First – How Should I Prepare for this Event?

- Bring products in their original containers. **Do NOT mix products!**
- Make sure containers are properly sealed and labeled correctly.
- If a container leaks, pack in a larger container and use an absorbent (i.e. cat litter) to soak up leakage.
- If possible, place materials in cardboard boxes; boxes with dividers make for great packing.
- Place materials in areas away from drivers and passengers.
- **No trailers over 10 feet are allowed.**
- **No walk-ups are allowed.**

Questions regarding disposal? Please contact Republic Services at (210) 304-2700.
